ROANOKE RAPIDS, the largest city in Halifax County, is a prosperous and progressive industrial city, located in North Carolina's richest, diversified agricultural section; 86 miles East of Raleigh, the State Capital; 103 miles Southwest of Norfolk, Virginia; 89 miles South of Richmond, Virginia; and 193 miles South of Washington, D. C.

POPULATION: According to U. S. Census, the City's population in 1940 was 8,545—99% American, while in 1930 it was 3,310. The increase in that ten year period was 158%, but conservative estimates, based on the continued rapid growth since 1940, place the present population at 14,500. The present estimated population for Roanoke Rapids township is 19,375 and for Halifax County 63,100.

THE GOVERNMENT is vested in a Mayor and six city commissioners who are progressively administering the affairs of the City to provide the necessary facilities required for its rapid growth.

In addition to regular subjects taught, the City School System has added a course in textile manufacture which also instructs adults.

course, beautiful picnic grounds and a modern well-equipped club building for other social activities.

HOMES AND COURCHES: Roanoke Rapids in all its prosperity has not forgotten its Churches, practically every denomination is represented with modern well-equipped buildings providing the City with a unity of Christian fellowship and a home-loving people. Home ownership is an outstanding trait and has produced many beautiful homes, making the City a friendly and gracious environment for home-loving people.

INDUSTRIES include eight textile mills, one of which, The Rosemary Manufacturing Company, is the largest damask mill in the world; two paper mills, Halifax Paper Company being one of the oldest Kraft Paper Mills in the United States; three brick plants, one lumber mill and numerous smaller industries. Total annual payroll is estimated at $10,000,000.00.

AGRICULTURE: Located in one of the most fertile sections of Eastern Carolina with its rich dark loam soil from the Roanoke River Valleys and plains makes farming one of the chief industries; cotton, corn, peanuts and tobacco being the major crops. The mild climate and long growing season combine to make housing of crops easy and profitable.

TRANSPORTATION is furnished by the Seaboard Air Line Railroad, Atlantic Coast Line Railroad, only four miles away at Weldon, and Carolina Trailways Bus Line, with 44 daily buses, and truck lines to all Northern and Southern centers.

THE AIRPORT—The Halifax County Airport is located within three miles of the city and is being built with county and federal funds, at a cost in excess of $200,000.00. When completed, it will be modern and complete, with runways and hanger facilities for medium-sized commercial planes. This means that "feeder" line service will be available here within a matter of months.

NEWSPAPER: The Herald, now a weekly, is installing new equipment regularly with the view in mind of changing over to a daily publication.

COMMUNICATION facilities include Western Union Telegraph, the Carolina Telephone and Telegraph Company with modern dial system, and 10 incoming and outgoing mails daily.

RADIO STATION WCBT, Roanoke Rapids' locally owned radio station, serves a wide area of Northeastern Carolina and Southside Virginia. AND WCBT-FM, local frequency modulation station, is also on the air, but in an experimental stage. WCBT was one of the earlier stations of the state to go on the air, and WCBT-FM is among the first of its type of broadcaster in the state.
