Sister, You are the Most Beautiful Person I know

You are the most beautiful person I know -
not just outside, but inside too.

You have a wonderful sense of humor, a loyalty that not many people have,
and the gift of love you give to others,

We may not be perfect; we have our share of arguments,
our times of laughter; and our share of troubles.

Yet we can always trust one another with anything.

When you have to share something, good or bad I will listen.
You are the world to me. Words can't express my appreciation,
but it means a lot to me that you are my sister,
and I will love you forever.

A sister like you is the greatest gift in the world.

I Love Wanda
Cheryl

*Weep not for me or wish me back,
I am now free from my pain.
In my Father's arms I rest,
That's where I long to be.
You watched for me beside my bed,
Now I will watch for you.
And when you reach the Golden Gate,
I'll come and lead you through.*
