Raleigh is the capitol of North Carolina. It was founded in 1792, and was named for Sir Walter Raleigh. Its altitude is 363 feet above the sea level at the capitol building. It covers an area of seven square miles, and has a population of 28,715 people; of the population 65 per cent is white, 35 per cent colored, and less than one per cent is foreign born. It enjoys a year-around temperature of 60 degrees, average annual sunshine of 62 per cent. It is noted for its remarkably salubrious climate, pure water and splendid sanitation. There are ninety miles of streets, twenty-five of which are paved, and all others improved. There are eighty-three miles of water main, with 3,800 water takers; 2,500 miles of telephone lines, with 4,350 telephones installed; post office receipts for 1920 were $307,859.45, amount of bank clearings $80,041,598.72, assessed value of property $37,057,170.00. The population within a hundred mile radius of Raleigh is 2,305,281.

There are two telephone systems and two telegraph companies; three public libraries, sixty-nine State buildings, including those at the Central Hospital for white insane and epileptics, penitentiary, schools for the blind and deaf mutes, and the N. C. State College of Agriculture and Engineering. The total value of all of these being $4,000,000.00; this is not included in the tax valuation.

There is a number of large and influential churches in Raleigh as follows: 17 Baptist, 2 Catholic, 4 Christian, 6 Episcopal, 8 Methodist, 2 Presbyterian, 1 Congregational, 1 Lutheran, 1 Non-Sectarian, 1 Undenominational and its Y. M. C. A., costing $85,000.00, equipped with gymnasium, swimming pool, library, bowling alleys and many departments of interest to its members is a possession of which Raleigh is justly proud. Six hundred and seventy-five young men belong to the Association, which tends to the moral, social and athletic development of the young people. There
are three hospitals: Rex and Mary Elizabeth for white people and St. Agnes for negroes.

There are one theatre and four movies, two orphanages, 49 wholesale houses, dealing chiefly in groceries, drugs and chemicals, furniture and sheet metal ware, millinery, candy, tobacco products, farm implements, etc., in Raleigh.

It also has a municipal building and an auditorium of stone and brick with a seating capacity of 5,000. There are six up-to-date hotels, including a new million dollar hotel under construction.

Raleigh is an educational center, it having 29 schools of various classes, from grammar school to university; fourteen of these are public schools, with an attendance of over 4,567 children, the number of students in other institutions is about 6,699, making a total of over 11,266 students in Raleigh. There are seven schools for whites, a high school and six grammar schools, and four grammar schools for colored, all of these are public. Of colleges there are four whites, the N. C. State College of Agriculture and Engineering for men, St. Mary's, Peace and Meredith for young women; and King's Business College, while for negroes there is Shaw University, the largest negro Baptist institution in the country, and St. Augustine, which has the same prominence among Episcopal colored institutions. The proportion of students in the schools of all classes is greater, as compared to the whole population than any other city in the South.

From an industrial standpoint Raleigh has made splendid progress. It has 67 manufacturing plants, which turn out cotton goods, yarns, hosiery, underwear, boilers, structural iron work, agricultural implements, vehicles, cotton oil and fertilizers, phosphate fertilizers, house building material, furniture, school supplies, books and printing generally, building stones and monuments, street paving material, washboards and other woodenware and candy. There are seven banks and eight printing houses, and 52 newspapers and periodicals are published here, the extent of the printing business exceeding that at any place of this size anywhere in the South. There is a wonderful opportunity for new manufacturing plants and a number of most desirable sites may be had with
railroad facilities and other conveniences at a very small cost. Free water for fire protection purposes is provided by the city to all plants which install sprinkler systems.

There is one electric company, the Carolina Power & Light, with $15,000,000 stock, operating the street railway and furnishing light and power to all the manufacturing plants, including cloth, hosiery, underwear and yarn mills. This company obtains water generated electric power from its plants at Buckhorn Falls on the Cape Fear River, 97 miles distant, and at Blewitt Falls, 97 miles on the Yadkin River, near Rockingham, for the transmission of power here over a line of 100 miles long.

This company serves electricity to points between Raleigh and Roxboro to the northward, Goldsboro the eastward, Durham to the westward and Fayetteville on the southward. The company has taken over the gas plants at Raleigh, Durham and other points. It operates in Raleigh fourteen miles of street railway and 36 cars, has installed here an auxiliary or reserve steam power plant, so that it has 60,000 H. P. for use.

The gas supply is 800,000 cubic feet daily; water supply 5,500,000 gallons daily with a consumption of 1,750,000 gallons. The water plant is municipally owned.

Raleigh has full motorized fire department, with 33 officers and privates; 57 alarm stations and 3 headquarters. The city ranks first-class as to insurance rates.

Raleigh is located on three trunk line railroads—Southern, Seaboard Air Line and Norfolk-Southern. These railroads lead in all directions and afford excellent facilities for the business and shopping public. There are sixty passenger trains daily, and very good freight and package car service.

Raleigh is on the Capitol Highway, the north and south line for automobile and other vehicles from Washington to Atlanta. It is midway between Boston and New Orleans, New York and Jacksonville, Fla., and on the great highway between Quebec, Canada and Miami, in sub-tropical lower Florida. It is on the Central Highway from Beaufort, N. C., to Tennessee; the Ocean-to-Ocean Highway from Bankhead National Highway from Washington, D. C.,
Raleigh is located in the center of a rich farming country. Lands have doubled, and in some instances trebled, in value during the past five years. The country in this vicinity produces a great variety of crops, including corn, cotton, small grain, tobacco, sorghum, peas and all sorts of truck, and in the County of Wake, of which Raleigh is the county seat, the corn growing record of the United States has been broken by the production of 226 bushels on an acre, and the cotton growing record by the production of $3\frac{1}{2}$ bales on an acre.

At no capitol in the country are there more buildings or institutions connected with the State government than in Raleigh. These include the Capitol, which was built in 1840, of granite from a quarry that was owned by the State, Administration Building, Governor’s Mansion, State Agricultural Building under construction and Hall of History, Agricultural Department, State Library and Supreme Court Library, State Prison, N. C. State College of Agriculture and Engineering, State Poultry Farm, Confederate Soldiers’ Home, State School for the White Blind, State School for Negro Deaf Mutes and Blind, State Fair Grounds and State Experiment Farm.

### PUBLISHER'S NOTE

The information in this book is gathered, as far as possible, by actual canvass, and is compiled in a way to ensure maximum accuracy. The publishers cannot, of course, guarantee the correctness of information furnished them nor the complete absence of mistakes, hence no responsibility for errors can be assumed, but we will welcome the bringing to our attention of any inaccuracies so that correction may be made in the next Directory.

HILL DIRECTORY CO., Inc., Publishers
INDEX TO ADVERTISEMENTS

Reference is especially invited to the following alphabetical list of responsible, enterprising, advertising business men. The more you patronize them the better we can make the Raleigh Directory; your attention is also invited to the names in DISPLAY BLACK TYPE throughout the book of those who take pride in sustaining the city directory, and who do not borrow their neighbor's directory.

Hill's Southern Almanac

1923

Published in December, 1922

Covering Virginia and North Carolina with unrivaled weather predictions for over thirty-one years.

Sold in quantity lots, your advertisement occupying outside back cover, for distribution to your trade—chiefly to the farmer, interesting his whole family.

Do you cater to the country people? No better medium known. Rates gladly furnished.

Hill Directory Company, Inc.

Publishers

823 Mutual Building, RICHMOND, VA.
Association of North American Directory Publishers
(Member Associated Advertising Clubs of the World)

ORGANIZED NOVEMBER, 1898

J. MARTIN GARDNER, Toronto, Ont., President
R. L. POLK, Jr., Detroit, Mich., 1st Vice-President
H. A. MANNING, Springfield, Mass., 2d Vice-President
E. J. LORANGER, New York City, N. Y., Sec'y-Treas.

TRUSTEES:
R. H. DONNELLEY, Chicago          G. D. W. MARCY, Boston
W. O. FOOTE, Atlanta                W. G. TORCHIANA, Philadelphia
R. L. POLK, Detroit                  B. D. ANNEWALT, Cleveland
W. H. LEE, New Haven                 D. W. BOWMAN, Akron
W. L. RICHMOND, Yonkers             A. B. BOYD, Reading
                R. W. LOVELL, Montreal

THE OBJECTS OF THE ASSOCIATION ARE AS FOLLOWS:

FIRST:—To improve the directory business by the interchange of ideas, and by the exchange of competent employees.

SECOND:—To protect the public against fraudulent advertising schemes, operated under the name of directories, and to drive the promoters of such out of the business.

THIRD:—To provide permanent and continuous employment for honest and faithful directory canvassers.

FOURTH:—For the mutual advancement of the established and prospective interests of all who may become members of the Association.

$100 REWARD

The Association of North American Directory Publishers will pay the above reward for the arrest and conviction of any one soliciting or collecting money on Fraudulent Directories, provided the conviction results in imprisonment of not less than 6 months. In case of arrest immediately telegraph E. J. LORANGER, Sec.-Treas., New York City, N. Y., or

This is an Incident—Not an Accident

If the cabinet were injured after this fall it would be an accident, but with a GF Allsteel Dreadnaught it would be merely an incident, because such a strain would not affect it in the least.

This Dreadnaught is welded at every joint, and cross-braced against side-strains, so it is always exactly true.

$35.00 is remarkable value for this four-drawer steel cabinet. A high standard of construction is assured by the name Allsteel. Stop in and see it, or telephone us.

St. Mary’s School
Rev. Warren W. Way, Rector
Raleigh, North Carolina

Owned by the Episcopal Church of North and South Carolina
Founded in 1842 by Rev. Aldert Smedes, D. D.

Eighty-first Annual Session
September 14, 1922—May 29, 1923

Saint Mary’s School offers for girls and young women a high school course of the highest standard, supplemented by two years’ advanced work upon completion of which diploma is awarded. Special courses are given in Business, Music, Art, Home Economics and Expression, in which certificates are issued. Two hundred boarding students can be accommodated.

A limited number of day students, residents of Raleigh, are accepted annually, to whom all the advantages offered by Saint Mary’s are available. The tuition charge for day pupils in the Academic or Business Departments is one hundred dollars for the session.

At Saint Mary’s the discipline is intimate but firm, with home-like influences rather than college freedom. The design is to have parents feel that they have a safe, intellectual and inspiring environment for their daughters which will advance them along the right lines into the best type of modern womanhood.

Saint Mary’s aims to promote sound physical development, to preserve good health, to cultivate a refined Christian womanhood, and to maintain the best standards of scholarship.

Power of Advertising

The City Directory is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase.

If your business is not classified properly and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you?

Advertising is the foundation upon which successful businesses are built. You must apply this to your own particular business.

Advertising is the power of an idea multiplied.

RATES UPON APPLICATION

No other service can compare with City Directory service

Dominate Raleigh and the Rich Suburban Territory by Advertising in THE NEWS AND OBSERVER

It is the only medium that enables the local merchant, at one small cost, to thoroughly cover Raleigh, Wake County and the many cities and towns that consider the State Capital their shopping center.

Ask for advertising rates based on local and suburban circulation. They are the lowest per inch per thousand circulation of any daily in North Carolina.
