Greenville, N. C.

PREFACE

Greenville, North Carolina, is located in the midst of the bright leaf tobacco belt and is a live, progressive, wide-awake business center. The town owns the water works, sewer, and electric light plant, has many miles of granolithic sidewalks and the main street is well paved from the depots through the business part of the town.

HEALTH—The health conditions of this part of North Carolina are unsurpassed. The climate is as good as any one could wish.

SCHOOLS—The school system in the town of Greenville is one of the best to be found in North Carolina. The town is now erecting a handsome high school building that will be worth, building and grounds, $75,000. Connected with the public school system of the town is a Model School in which four grades of children are taught by the Critic teachers of the Training School.

Located in the town of Greenville is the East Carolina Teachers Training School, a state institution that has but one purpose in view, viz.: the training of young men and women for efficient service in the public schools of North Carolina.

The public school system of the County of Pitt is one of the best county systems in the State. Each year marks a decided advancement forward in the rural schools of this county. The County of Pitt has an All Time Health Officer who gives his entire services to the public schools and general health conditions of the county.

RAILROADS—The town of Greenville is situated at the intersection of the Norfolk-Southern and the Atlantic Coast Line Railroads. There are ten passenger trains passing through Greenville each day, giving ample accommodations to the traveling public. The town of Greenville, situated on Tar River, is touched by the Inland Deeper Water-ways work of the Federal Government. Tar River having been dredged up to Greenville.

HOTELS—There are two good hotels in our town. The last one erected, the Proctor, cost over $80,000. If you come to our town we can take care of you.

GOOD ROADS—There has been spent, and is being spent, in Pitt County over $200,000 in improving the public roads. Greenville is now easily accessible to every part of Pitt County and the adjoining counties. This makes the rich farming lands of this county in easy access to the markets, thus making this county one of the most desirable counties in Eastern Carolina for progressive farmers.

The soil and climate of Pitt County are well adapted to raising corn, cotton, tobacco, potatoes, trucking crops, fruits and vegetables. Stock and poultry raising should become one of the chief industries of our people. The soil is fertile and easily tilled. In no place can a man get a bigger return for his work upon the farm than here. The climate allows farm work for twelve months in the year. The rainfall is abundant and well distributed throughout the year, thus giving neither floods nor drought.

The slogan of the Town of Greenville is indicative of the people who live here—"Our Greenville. Yours if you come."

Miscellaneous Information Concerning Postage Stamps, Postcard Cards and Stamped Envelopes.

All postage stamps issued by the United States since 1860 are good for postage.

Postage-due stamps are used by postmasters to witness the collection of postage on short-paid matter. These stamps are not good for prepayment of postage and are not sold to the public.

Internal-revenue stamps are neither good for postage nor redeemable by the Post-Office Department.

United States postage stamps are good for postage in Guam, Hawaii, Porto Rico, and Tutuila, but not in the Philippine Islands or in the Panama “Canal Zone.” Postage stamps overprinted “Philippines” or “Canal Zone, Panama,” are not good for postage or redeemable in the United States.

Postage Stamps.—The Department issues postage stamps of the following denominations: 1, 2, 3, 4, 5, 6, 8, 10, 13, 15, and 50 cent, 1, 2, and 5 dollar, and 10-cent special delivery.

Postage stamps that are mutilated, or defaced in any way, can not be accepted for postage.

Stamps cut or otherwise severed from postal cards, embossed United States stamped envelopes, or newspaper wrappers are not redeemable or good for postage.

Postage stamps are neither redeemable from purchasers nor exchangeable for those of other denominations or any other stamped paper.

Postage stamps should not be used for making remittances. They may be lost or may adhere in transit, and such use tends to disorganize the proper equalization of postmasters’ compensation under the law. Ample registry and money order facilities are provided for the safe transmission of funds by mail.

No postage-stamped paper is sold by the Department direct; it must be bought of postmasters.

Postal cards are furnished at the postage value represented by the stamp impressed thereon.

Single postal cards for domestic and foreign correspondence are furnished at 1 cent and 2 cents each, and double (reply) postal cards at 2 and 4 cents each, respectively.

Domestic single cards are furnished in sheets of 40 each, when so desired, for printing purposes.

United States stamped envelopes.—The Department issues thirteen different sizes of stamped envelopes, the smallest 2 7-8 by 5 1-4, the largest 4 3-8 by 10 1-8 inches, in three qualities and five colors of paper, as follows: First quality, white and amber; second quality, buff and blue; third quality, manila. The denominations are 1, 2, 4, and 5 cent. A diagram of sizes and schedule of prices may be consulted at any post-office.

Stamped newspaper wrappers are issued in 1-cent, 2-cent, and 4-cent denominations, and in three sizes.

Unused stamped envelopes and newspaper wrappers, when presented in a substantially whole condition, will be redeemed by postmasters at their face value either in postage stamps, stamped envelopes, or postal cards, but stamped envelopes bearing a printed return card will be redeemed only from original purchasers.

SPECIAL DELIVERY

A special-delivery stamp, in addition to the lawful postage, secures the immediate delivery of any piece of mail matter at any United States post-office within the letter-carrier limits of free-delivery offices and within a 1-mile limit of any other post-office.

Special delivery can be effected only by the use of the special delivery stamp.

Hours of delivery: From 7 a. m. to 11 p. m. at all free-delivery offices, and from 7 a. m. to 7 p. m. at all other offices, or until after the arrival of the last mail at night, provided that be not later than 9 p. m. Special-delivery mail must be delivered on Sundays as well as on other days, if post-office is open on Sundays.

If special-delivery matter fails of delivery because there is no person at the place of address to receive it, the matter is returned to the post-office and delivered in the ordinary mail.

Special-delivery matter may be forwarded, but is not entitled to special delivery at the second office of address unless forwarded on a general forwarding request before attempt at delivery has

Commercial Printers

THERE'S NO QUESTION ABOUT OUR PRINTING GIVING SATISFACTION. WE HAVE THE EQUIPMENT AND FORCE TO BACK UP AND PROVE THIS FACT.

PLACE AN ORDER WITH US AND BE CONVINCED. SUPPLY AND DEMAND REGULATE VALUES. THE SUPPLY OF SHODDY PRINTING IS VERY GREAT. THE DEMAND FOR "PRINTING" THAT PAYS IS GROWING.

THE PRINTING WE DO IS THE PRINTING THAT PAYS.
LOWEST PRICES CONSISTENT WITH QUALITY OF WORK.

We Have n't Been Printing Directories 1000 Years

But when we have we will not be able to give you a better displayed ad than we will next year. Talk this over with the Directory Man.
NOTE—Patronize those whose names are in large type, for they are the pro-
gressive ones and generally the leaders in their line.

*Index appears in front of special business headings only, for which an
extra charge is made.

*Star in front of name generally means that such person is colored.

A PERSISTENT ADVERTISER

One of the most persistent advertisers in the history of success was Robinson Crusoe.

He believed in advertising.
He knew what he wanted—a ship.
And he put up an ad for one.
He flung a shirt on a pole at the top of his island; that, in the language of the sea, was plain to every seafaring man.

The circulation was small and there was no other medium, but Crusoe kept it there despite the fact that he got no inquiries for a long time. He changed his copy—as one garment after another was flapped out—and in the end got what he wanted, was happy, and his name and fame have come down through the ages.

The present-day merchant is much better off than Crusoe.

He Has The City Directory through which he can reach all the people, some of whom want his goods. Your chances of success are thousands to his one, but your chances of failure are the same as his.

Suppose Robinson Crusoe had taken down that signal after, say a year, and declared, "Advertising doesn't pay," where would he and his story now be?

Put up your signal and keep it up. There will be a number of ships cruising around during the year 1916 that will be glad to call and take you off the island of Dull Business.

Crusoe advertised under discouraging circumstances. You have got a sure thing—The City Directory.

Mr. Manufacturer, Merchant (Wholesale and Retail):

No other Publication in the world so thoroughly represents the commercial, social and private interests of your city as the City Directory. Representing, as it does, every private citizen from the hovel to the mansion; every commercial, social, religious and educational institution and all other data pertaining to your city, it is beyond question, the most accurate and complete index to the city and its various interests in existence.

The Directory is the dictionary to the city and the Piedmont Directory Co. intend that 1916 Directory shall be The Unabridged Edition. "The first aid to strangers and a standard remedy for folk," accurate, complete and up-to-date in every respect. Unusual prospects of profit (direct and indirect) and Civic Pride should influence every manufacturer and business man to have full representation in this Directory, and every well-governed home to have a copy of the latest Directory for the use and convenience of Strangers and visitors.

"Know thyself" is sound medical advice. Know Your City is equally good business advice. Consult the Directory when you want to buy or sell and you will get the best of everything at the lowest price and help reduce the high cost of living.

Mr. Manufacturer and Business Man—It's a fact that the Directory is your city's only standing representative to the world beyond your own gates and the only index to your city's growth and prosperity. Future Directories, by the exchange system, now in general use, will be placed in the Directory Libraries of the Principal Cities of The United States for the use of all who wish to consult its pages. A well-patronized city directory indicates a good city to locate in.

Yours truly,
